  Organized hackathons & conducted sessions for college students on Web Development related topics.

## EXPERIENCE

- **Python Developer Intern, StaxTech**
  (25th June 2025 - Present)

- 

## PROJECTS

- **Restaurant Website (2024)**
  I created this project in a team of two students. I made form page of the restaurant by and linked it with both main page and menu page using HTML. I also designed all the pages through CSS.

- **Password Generator (2025)**
  I created this project individually. I used flask and python programming to build this program. The objective to make this program is to generate the passwords for Id's which is difficult for a hacker to hack it.

- **Rock, Paper and Scissors Game (2025)**
  I created this project individually. I used python programming only to build this game.
